Title: Seeing the Invisible

Start Date: 12/14/2006

End Date: 2/17/2007

Comments: Opening: 14 dec 2006, 6:30pm

Seeing the Invisible tests the limits and borders not only of the visible but of art itself, enriching our perception. The 12 international artists in the show address invisibility differently, sometimes metaphorically, but always in optical ways they approach the ambiguous invisible, reflecting on our everyday surroundings, and often hinging on political issues.

Other participating artists: Charif Benhelima, Kristina Braein, Michel de Broin, Lucas Lenglet, Jan Mancuska, Conor McGrady, Melvin Moti, Sancho Silva, John Hawke, Nasan Tur
