In mostra una ventina di quadri in cui emerge un profondo legame della giovane artista con la sua terra natale, la Russia. Morozka è infatti una piccola contadina, protagonista di una favola russa, abbandonata dalla matrigna in una foresta nel mezzo di un gelido inverno. Lì

Posted at March 28th, 2008 2:37 pm That's Mario, the R&B singer who uses only his first name (real name Mario Dewar Barrett), and not Mario Lopez, former Saved By the Bell Star. Karina Smirnoff is partnering with the former on Dancing With the Stars this season. Three seasons ago, she partnered with Mario Lopez. Mario Lopez and Karina Smirnoff fell in love and are still dating as a result of that season of Dancing With the Stars. All caught up? March 28, 2008 Dancing with the Stars pro Karina Smirnoff is brushing off rumors of a romance with her partner, R&B singer Mario. The New York Post's Page Six reports Smirnoff — who has been dating her former DWTS partner Mario Lopez — was spotted kissing the other Mario at a Mercedes-Benz Oscar viewing party at Four Seasons hotel in Los Angeles in February. But Smirnoff is laughing off the speculation. "I told you to keep it on the DL, dude," she joked with Mario when asked about the rumors after Monday's show. Continued Smirnoff: "Did you keep that window open? By the end of the show, I will be pregnant with Mario's baby!" Mario, 21, added of Smirnoff, 30, "I love this woman! I love her personality! I've grown to love the person that she is, and you should feel

Should Mario Lopez be jealous? On the opening night of Dancing with the Stars, Lopez's former partner and current girlfriend, Karina Smirnoff, didn't just earn the highest score - she did so with a new celebrity... also named Mario! Mario (the R&B singer) and Karina earned 24 points, eight from each of the judges, for their rendition of the Fox Trot on a night where the six male celebrities performed. "You can dance!" Carrie Ann Inaba told Mario. "Ladies, this is the standard you're going to have to watch out for. We want to see this on the dance floor." Miami Dolphins defensive end Jason Taylor also moved like he was going after Tom Brady in the pocket, earning 22 points with Edyta Sliwinska; while Chilean actor Cristián de la Fuente scored 21 out of 30 points.
